.

School Name: PARRAMATTA HIGH SCHOOL

STW Coordinator: TOM MCCOSKER

	School Initiative
Key Result Area connection (background)	• "Mach 1" initiative developed for underachieving Year 10 boys to examine personal, educational and career opportunities as they consider entering senior years at school – Exploring Careers Futures
Initiative outline	• To provide boys in Year 10 who are underachieving at school with opportunities to access advice regarding future career options and to explore workplace opportunities on site
Who supports and organises implementation?	• Career Adviser • Year 10 Year Adviser • Welfare Team Leader
Highlight student and/or school outcomes	• Increase in student confidence to source vocational options through access to guest speakers, ex-students and on-site workplace visits
2008 Enhancements	• Involvement of the local employers to source possible employers to host a site visit • Interview targeted students for vocational goals • Contact ex-students as role models to build a data base of potential career advice sources
2008 Financial allocation being applied for (budget)	• 2 days teacher relief for interviewing career role-models and liaison with employers $540
